

Interesting video about Katrina Forest, Einstein Visiting Fellow at TUB

Start Time: Monday, August 19, 2019

End Time:

Katrina is professor of bacteriology and biophysics at the University of Wisconsin-Madison, USA.

Currently she is as well Einstein Visiting Fellow at Technische Universität Berlin, and in particular at UniSysCat and EC2/BIG-NSE.

From next January 13 to 16, she will offer our students a block course about "Structural biology of pathogenesis". More information about this course will come soon.

Please find [here](#) the link to the video clip.
