

EuroBIC Medal 2020 Awarded to UniSysCat Group Leader Kallol Ray

Start Time: Sunday, September 13, 2020

End Time:

UniSysCat group leader researcher Prof. Dr. Kallol Ray has been awarded with the EuroBIC Medal 2020. The price is given to a younger scientist in her/his early career, doing exciting and top-level research in the field of Bioinorganic Chemistry in a laboratory of a European country and is awarded biannually at the occasion of the "European Biological Inorganic Chemistry Conferences" (EuroBICs).
