

Special! Coffee Lecture on Open Science in Catalysis Research

Prof. Pedro Mendes

Instituto Superior Técnico - Universidade de Lisboa Organization type:

Start Time: Monday, October 9, 2023 01:30 pm

End Time: Monday, October 9, 2023 02:00 pm

This is a special session following the Coffee Lectures series on RDM. [Prof. Pedro Mendes](#) introduces the world of catalysis research like never before. He takes the stage to unravel the secrets of Open Science and its game-changing impact on the catalysis landscape. From unearthing hidden potentials to fostering collaboration, witness how transparency and accessibility reshape the very foundations of discovery.
