

UniSysCat Annual General Meeting: November 25, 2020

Start Time: Tuesday, November 24, 2020

End Time:

The flyer features the UniSysCat logo at the top left, with the tagline 'Unifying Systems in Catalysis' below it. The main title 'Annual General Meeting' is centered, followed by the date 'Wednesday, November 25th, 2020' and the format 'Online-meeting (Zoom)'. A table with an orange header 'Program' lists the following items:

Program	
4 pm	Check-in
4.15 pm	Annual General Meeting Prof. Arne Thomas, Chair of UniSysCat Welcome and annual report
4.45 pm	Junior research group leaders Dr. Marius Horch <i>Shedding Light on Biocatalysis: From Understanding to Control</i> Dr. Tobias Gensch <i>Quantitative Analysis and Prediction in Homogeneous Catalysis</i>
6 pm	Prof. Arne Thomas Closing remarks

We are looking forward to our Annual General Meeting on November 25, 2020, 4 pm. The AGM will take place online (Zoom).

Prof. Dr. Arne Thomas, Chair of UniSysCat, will open the AGM and present the annual report. Afterwards, junior research group leaders Dr. Marius Horch and Dr. Tobias Gensch will showcase their work.
