

UniSysCat at the Long Night of the Sciences

Technische Universität Berlin

Start Time: Saturday, June 15, 2019

End Time: Sunday, June 16, 2019

House of Chemistry (C-Building)
Technische Universität Berlin, Straße des 17. Juni
115, 10623 Berlin

On Saturday, 15 June 2019 at 5:00 p.m. "The Long Night of the Sciences" will kick off for the 18th time. You can visit the events of the "Long Night" program until midnight at approximately 70 scientific centers in Berlin and Potsdam. The Institute of Chemistry and UniSysCat working groups will be participating with an attractive program.

For the first time UniSysCat will be offering a rally that covers several projects at TU Berlin, HU Berlin and FU Berlin.

The experiments and presentations will take place in the C-Building (Altes Chemiegebäude) at TU Berlin, which is also known as "House of Chemistry" ("[Haus der Chemie](#)").

Technische Universität Berlin
Gebäude C - Altes Chemiegebäude -
Straße des 17. Juni 115
10623 Berlin

The projects presented in the House of Chemistry can be found here (in German)

Photographer during the event

We would like to inform you that a photographer will be taking pictures during the event on behalf of TU Berlin. These photos may be published. They will not be used for commercial

purposes.
