

13th EC2/BIG-NSE Workshop

EC2/BIG-NSE

Start Time: Friday, January 10, 2020 12:50 pm

End Time: Friday, January 10, 2020 05:00 pm

As every year once their "Initial Phase" is finished, the new PhD students of EC2/BIG-NSE have the great opportunity to present their PhD work plan in front of the UniSysCat community.

All presentations will take place on **Friday, January 10, 2019**, within the annual EC2/BIG-NSE workshop.

The first presentation is planned to start at about **12:50** and the last one to finish around **18:00**. Scope of the presentations ranges from theory to application on all aspects of catalysis: Organic/Inorganic chemistry, heterogeneous catalysis, biotechnologies, biocatalysis etc.: all interested scientists are welcome!

Venue is **Room C264** in the old Chemistry Building of the TU.

After the presentations, New Year Party of UniSysCat/Einstein Center of Catalysis will start.

Please feel free to join us!
