[Berlin4Ukraine: Meet & Learn. A networking event for exile researchers](https://events.wzb.eu/ber4ukr/) is a network and career event for Ukrainian researchers that fled from Ukraine and came to Berlin.

The event aims to convey basic knowledge of the structures and key players of the **German Science System**, to explain the key **support offers for refugee researchers** and scholars at risk in particular, as well as the system of **German science funding** in general. Moreover, the event is intended to provide a **networking opportunity** for researchers from Ukraine and from Berlin.

The programme includes informational talks and breakout sessions that allow networking. In addition, relevant scientific institutions, projects and organizations will be present to give information and to answer questions.

The workshop will be held **in English** and is an in-person event with the option to follow via online streaming (except for the three parallel info sessions).

For a participation (in-person or online), a **registration** is necessary (deadline June 17th 2022): <https://events.wzb.eu/ber4ukr/>

The event is **free of charge** and a **childcare service** will be organized.

The **Berlin4Ukraine-event** is organized by the Berlin Center for Global Engagement (BCGE) at Berlin University Alliance (BUA), the Berlin Brandenburg Academy of Sciences and Humanities (BBAW), Berlin Research 50 (BR50), the Clusters of Excellence SCRIPTS and NeuroCure, in cooperation with the Clusters of Excellence Science of Intelligence, Temporal Communities, and UniSysCat, the German-Ukrainian Academic Society, Dahlem Humanities Center, and others.
