

Inaugural lecture of Honorary Professor John Warner

Prof. Dr. John C. Warner

University of Bath, UK & Monash University,
Melbourne, AUS

Start Time: Monday, September 5, 2022

End Time: Monday, September 5, 2022

Raum C130
TU Berlin, Chemiegebäude

As co-developer of Green Chemistry, internationally renowned scientist, inspiring innovator, successful founder and award-winning pioneer in this field, Prof. Dr. John C. Warner has been appointed Honorary Professor of "Green Chemistry" at Faculty II - Mathematics and Natural Sciences at the TU Berlin. On the occasion of the ceremonial presentation of the certificate, Prof. Dr. John C. Warner will give an inaugural lecture on the topic of Green Chemistry. Speeches by the President and other representatives of the University as well as a laudation will accompany the ceremony. The inaugural event will conclude with a festive get-together and mutual exchange in honour of Prof. Dr. John C. Warner. Food and beverages will be provided.

We're happy to celebrate together with Prof. John Warner. And we kindly invite you to join the ceremony!

Please note: The event requires registration. We ask for binding registration at least 2 weeks in advance. Please register here: events.tu-berlin.de/de/events/d9104d63-c980-443f-a4a1-da77cab9e067
