Joint event of NFDI4Chem and NFDI4Cat

Together we can achieve more!

Presentation

The workshop will start with a presentation by Dr. Pedro Mendes (the RDA/EOSC ambassador for catalysis) with the title “Unravelling the power of small data: tailored approaches for catalyst design”.

Workshops

Afterwards, three breakout rooms will be set up, each with a specific topic. A mutual presentation of the status of this topic from each consortium is scheduled (max. 15 minutes), to be followed by a 30-minute discussion focusing on common approaches and collaboration.
