

Coffee Lectures on RDM: FAIR Data Principles

Katarzyna Biernacka

Start Time: Monday, July 10, 2023 01:30 pm

End Time: Monday, July 10, 2023 02:00 pm

Starting from early July 2023, join us every Monday at 13:30 (GMT) for a 15-minute presentation followed by questions and discussions, all held online via [Zoom](#). Over the course of 10 sessions, we will explore various aspects of research data management, with a particular focus on catalysis and chemistry.

In the second event of the series, we dive into the world of Findability, Accessibility, Interoperability, and Reusability (FAIR), as we explore how these principles revolutionize data management, foster collaboration, and accelerate research innovation.
