Start Time: Monday, October 2, 2023 01:30 pm

End Time: Monday, October 2, 2023 02:00 pm

Starting from early July 2023, join us every Monday at 13:30 (GMT) for a 15-minute presentation followed by questions and discussions, all held online via [Zoom](#). Over the course of 10 sessions, we will explore various aspects of research data management, with a particular focus on catalysis and chemistry.

In the very last session of the Coffee Lectures series on RDM we'll explore the power of this DepositOnce repository, designed to preserve and share your research data with the world. Discover how this repository can boost the visibility and impact of your work, while ensuring long-term access and data integrity.
