

Science Slam: Clear the Stage for Science

Start Time: Thursday, November 2, 2023

End Time: Thursday, November 2, 2023

Säälchen, Holzmarkt 25, 10243 Berlin (wheelchair accessible)

The Science Slam of the Berlin Clusters of Excellence

Slammin' like there's no tomorrow - at our cluster science slam, scientists try everything to entertain their audience, regardless of whether the subject is e.g. mathematics, neuroscience or active material. The sky is the limit when it comes to what's possible. Costumes, props, movies, PowerPoint presentations or other experimental setups – it is all allowed. Only time sets the limits – every slammer will have ten minutes at most. And the audience will decide which presentation is best!
