

No data without... FAIRness

Dr. Mohammad Khatamirad

Start Time: Tuesday, March 18, 2025

End Time: Tuesday, March 18, 2025

Online

Join us for the **Coffee Lecture Series**, where we explore the essentials of research data management and its role in driving excellence in science. Under the theme "**No Data Without... Excellence**", this series delves into key topics like research integrity, FAIR principles, persistent identifiers, electronic lab notebooks, and more.

When? Tuesdays at 2 PM, sharp

Where? Via [Zoom](#)

Starting from mid January 2025, join us every Tuesday at 2:00 PM (GMT) for a 10-minute presentation followed by questions and discussions, all held online via Zoom. This series is proudly organized by [MATH+](#), [NeuroCure](#), [Matters of Activity](#), and [UniSysCat](#), bringing together expertise from leading clusters of excellence.

We look forward to virtually meeting you and exploring the fascinating realm of research data management together.

Let's brew better research together—one coffee lecture at a time!
