

## Clara Immerwahr Award Ceremony 2025

Dr. Bonnie Murphy

Start Time: Friday, April 11, 2025

End Time: Friday, April 11, 2025

Room H 3005  
TU Berlin, Straße des 17. Juni 135, 10623 Berlin

### Congratulations to Dr. Bonnie Murphy!

The Clara Immerwahr Award Ceremony 2025 will take place **on Friday April 11, 2025** at 2 pm at the TU Berlin. Guests are cordially invited! We celebrate this year's awardee Dr. Bonnie Murphy from the Max Planck Institute of Biophysics in Frankfurt am Main. She has been honored with the Clara Immerwahr Award 2025 in recognition of her outstanding contributions to catalysis research.

Since 2019, Dr. Murphy has been leading a Max Planck Research Group at the Max Planck Institute of Biophysics in Frankfurt. Her research focuses on uncovering the structure and mechanisms of proteins - particularly those of bioenergetic relevance - using single-particle cryo-EM in combination with biochemical, molecular, and electrochemical techniques.

### Program

**Welcome Speech:** Prof. Dr. Juri Rappsilber, Spokesperson of UniSysCat

**Laudation:** Prof. Dr. Fraser Armstrong, University of Oxford

**Lecture:** Dr. Bonnie Murphy, Clara Immerwahr Awardee 2025: "Machineries in anaerobic CO<sub>2</sub> fixation"

**Lecture:** Prof. Dr. Annette Vogt, Humboldt Universität zu Berlin: "Clara Immerwahr - Historical insights into her life and work"

The ceremony and lectures are followed by a reception. Guests are cordially invited. We kindly ask you to register by April 6, 2025 on the [event page of TU Berlin](#).

UniSysCat is grateful to BASF SE for sponsoring the Clara Immerwahr Award from 2022 to 2024.
